

C&H Financial Services, Inc. partners with award winning iPad based POS System

October 17, 2015-- C&H Financial Services, Inc. (“C&H”) announced their partnership today with iPad and Cloud Based POS System, ShopKeep, to bring the highest levels of payments technology to small and mid-sized merchants nationwide.

ShopKeep is a leading EMV & Apple Pay ready cloud-based Point of Sale System used by over 20,000 brick and mortar merchants. With a variety of hardware and software bundles, ShopKeep is tailored for every merchant. ShopKeep easily integrates to the platforms used by C&H merchants, including TSYS and First Data.

“C&H was in the market for a top POS System provider with a commitment that matched our progressive business approach. After combining their competitively priced and flexible POS System with their outstanding reputation, C&H selected ShopKeep. By adding the products and services available through ShopKeep to our existing offerings, we are able help businesses grow through the next generation of payment solutions,” said Anthony Holder, Co-Chairman of C&H Financial Services.

“C&H has an outstanding network of sales professionals across the country that are constantly seeking innovative point of sale solutions to help their customers run smarter businesses.” said Norm Merritt, CEO of ShopKeep “We’re excited to partner with a company that’s perfectly aligned on ShopKeep’s mission to provide the best services towards these merchants.”

About C&H Financial Services, Inc.: Established in Chicago, Illinois, C&H ranks #236 on the *Inc. 500/5000* list of fastest growing privately owned companies in America.
